

# T9 CIRCLIGHT™ ADAPTER

electronic

30W-2850°K

**SAVE up to \$95  
in energy costs!\*\***

 **75% Less Energy**

Consumes only 30 watts of energy - 95 watts less than a 125-watt incandescent bulb. This bulb saves \$95 on your electric bill over its 10,000 hours of life.

 **7 Times the bulb life**

The circline bulb lasts 7 times longer than your standard incandescent bulb.

 **Cooler & Safer Operation**

Circline bulbs are not hot to touch. Excellent replacement for hot operating incandescent bulbs.

 **Bright Warm Light**

Excellent Color Rendering Index (CRI>82) and soft warm color of 2850°K

 **Flicker-free - InstantON™**

 **NEPTUN® T9 CIRCLIGHT™ Bulb included**

\* Available in the following color temperatures (°K):  
2850, 3500, 4100, 5000

\*\* Over the average rated life of the 30 watt bulb (rated at 10,000 hours with light output of 2000 lumens) compared to a 125 watt incandescent bulb (rated 2000 lumens).  
Based on 10¢/ 1kW.

## Product Information

Item No.	Base	Power (W)	Voltage (VAC)	Frequency (Hz)	Lamp Life (rated)	Ballast Life (rated)	Color * Temp. (°K)	CRI	Light Output (Lumens)	Foldable Base	Outside Diameter
19830A	E26/E27	30	120	50/60	10,000 hrs.	50,000 hrs.	2850	82	2000	Yes	8.0 in. (203 mm)
19830B	E26/E27	30	220-240	50/60	10,000 hrs.	50,000 hrs.	2850	82	2000	Yes	8.0 in. (203 mm)
